FEEDING DIRECTIONS

NUTRA MAXX can be mixed in total mixed rations or fed free-choice in a lic tank. Feed at up to 5% of the total ration. For more information contact your 1 on 1 Nutrition representative.

CAUTION: This feed must be used according to label directions.

RECIRCULATE OR AGITATE PRIOR TO USE.

Recirculation Systems: Recirculate immediately prior to use for not less than 10 minutes, moving not less than 1% of the tank contents per minute from the bottom of the tank to the top.

Agitation Systems(mechanical, air, etc.): Agitate immediately prior to use for not less than 10 minutes, creating turbulence at the bottom of the tank that is visible at the top of the tank.

Recirculate or agitate daily even when the supplement is not in use.

Nutra Maxx does not contain any animal origin byproducts.
